## HP 3.3 Mega Shopping Campaign

Created the **campaign visuals** for HP's 3.3 Sale across Lazada and Shopee, highlighting promotions, product categories, and featured deals.

# HP 3.3 Mega Shopping Campaign

Lazada & Shopee Campaigns

### CHALLENGE

Create a 3.3 campaign for HP that attracts shoppers during the sale event and clearly presents promotions across different product categories.

### SOLUTION

Designed a campaign page that combines promotional offers, product categories, and featured deals into a simple and easy-to-navigate shopping experience.

## Integrated Campaigns for Samsung Philippines

Selected work across **Mobile** and **Digital Appliances**, spanning **product launches**, **seasonal promotions**, and **key visuals**. Work includes visual development to local adaptations across digital, retail, and outdoor materials.

# Unfolding Galaxy Across the Philippines

Samsung Galaxy Z Fold3 & Z Flip3

**Campaign Localization**

### CHALLENGE

Bring Samsung's global foldable launch to the Philippine market while preserving its premium identity. Each execution needed to balance product storytelling, local offers, and partner branding across digital, retail, and outdoor placements.

### SOLUTION

Adapted the global key visuals into promotional and operator campaigns, refining composition, product scale, and message hierarchy for each format.
I extended the visual direction across animation, display ads, retail, and outdoor materials to maintain a consistent presence from screen to store.

# Bringing Blue Month Sale Online

Digital Campaign

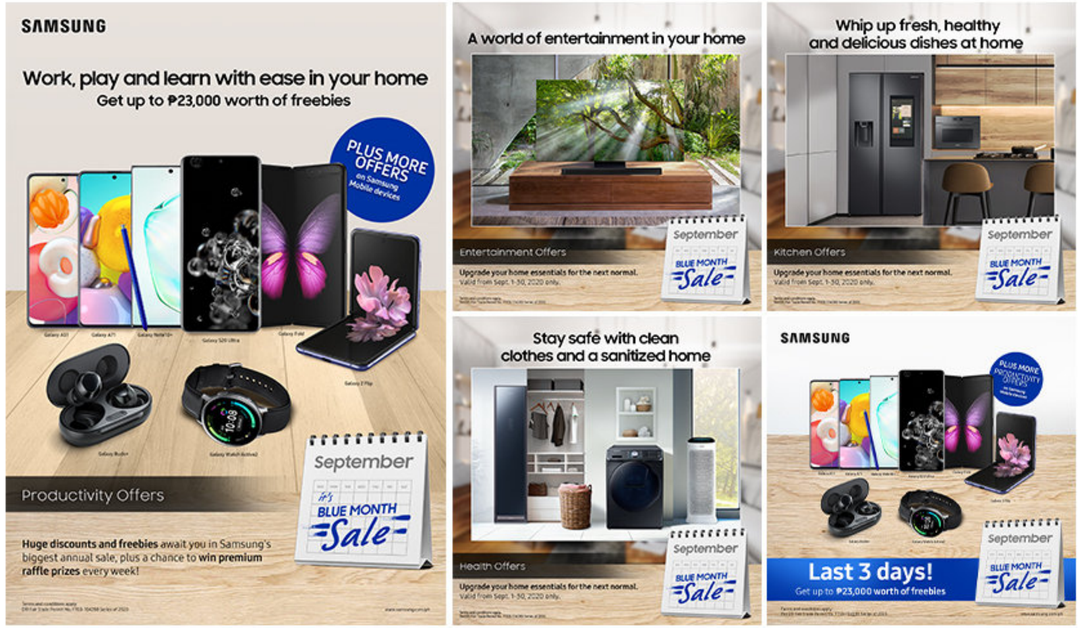

### CHALLENGE

Present a wide range of products, bundles, and offers clearly across online placements while keeping every asset recognisable as part of the same sale.

### SOLUTION

Adapted the campaign's visual style across product categories and digital formats, giving each product and offer a clear hierarchy. I extended the visuals into short animations to highlight promotions and sale reminders.

# Creating a Home Upgrade Experience

Digital Campaign

### CHALLENGE

With people spending more time at home, Samsung needed to connect its Digital Appliances range with changing daily routines while communicating product features and promotional offers clearly.

### SOLUTION

Created campaign visuals around the idea of upgrading everyday life at home, bringing products, features, and offers together within a consistent visual direction. Each execution balanced the home upgrade message with clear promotional information.

## Bringing Oktoberfest Across the Philippines

Created **campaign visuals** for San Miguel Oktoberfest across **social**, **digital**, **OOH**, and **event materials**, supporting nationwide event promotion and real time coverage.

# Bringing Oktoberfest Across the Philippines

Integrated Campaign

### CHALLENGE

Turn Oktoberfest into a nationwide celebration that felt relevant to different audiences across the Philippines, while giving San Miguel a meaningful way to connect with its consumers.

### SOLUTION

We built the campaign around “SALAMAT”, turning Oktoberfest into San Miguel’s way of giving back. The idea was carried across regional events, digital content, promotions, and on ground executions to create one connected celebration across the country.

## Building Dry Eye Awareness Through Screen Time

Developed the **campaign concept** and **visuals** for Systane Ultra Eyedurance, raising awareness of Dry Eye Syndrome through digital content and media.

# Building Dry Eye Awareness Through Screen Time

Digital Campaign

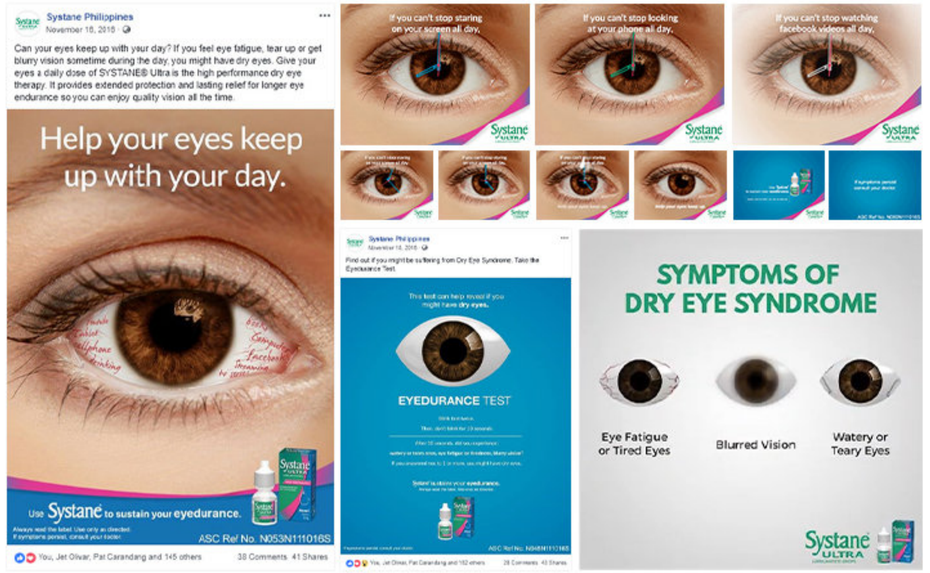

### CHALLENGE

People spend hours in front of screens every day. While they know prolonged screen use can affect their eyes, giving up their devices isn't realistic. The challenge was to raise awareness of **Dry Eye Syndrome** in a way that felt relevant to their screen driven lifestyle.

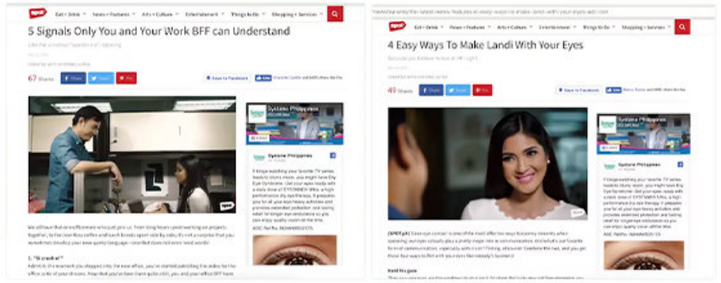

### SOLUTION

We created **Systane Ultra Eyedurance**, a digital campaign that used people's screen time to educate them about Dry Eye Syndrome. Onscreen ads highlighted symptoms and connected prolonged screen use to dry eye, supported by social content, native articles, videos, and search.
